

Now even your school
can dream big.

We're here to give *education* a promotion.

The future of our nation stands tall on the foundation of its education system. At Auxilo, our humble aim is to strengthen the very foundation, in every possible way.

By understanding and fulfilling student needs and offering educational institutions a helping hand to grow, we push our limits to cover every service related to education through innovative financial solution delivery.

Whatever the need of your institution – expansion, renovation or working capital – we have a financial solution for it.

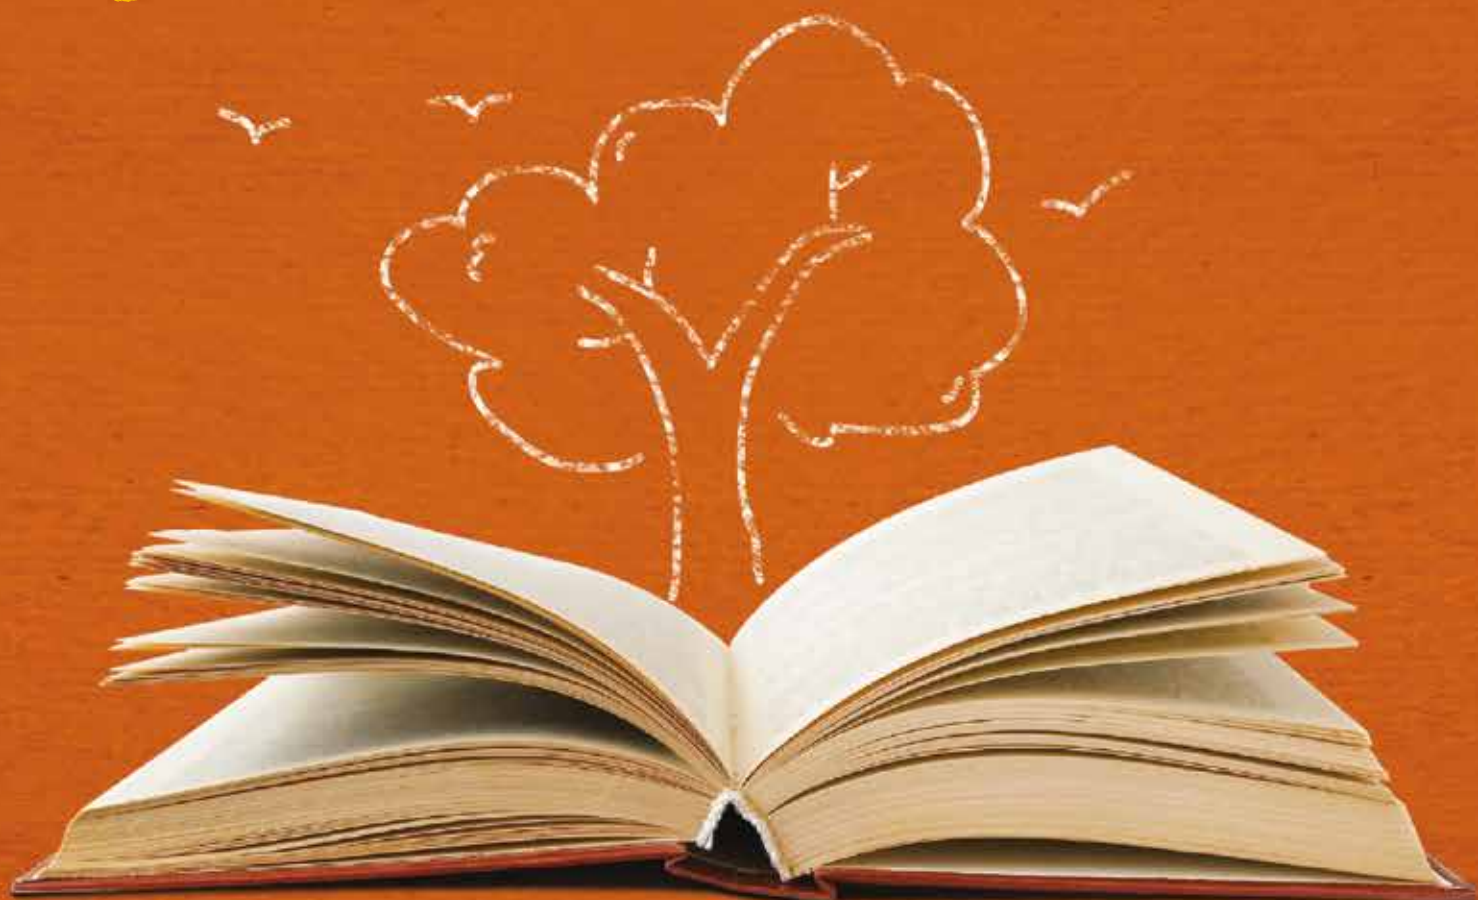

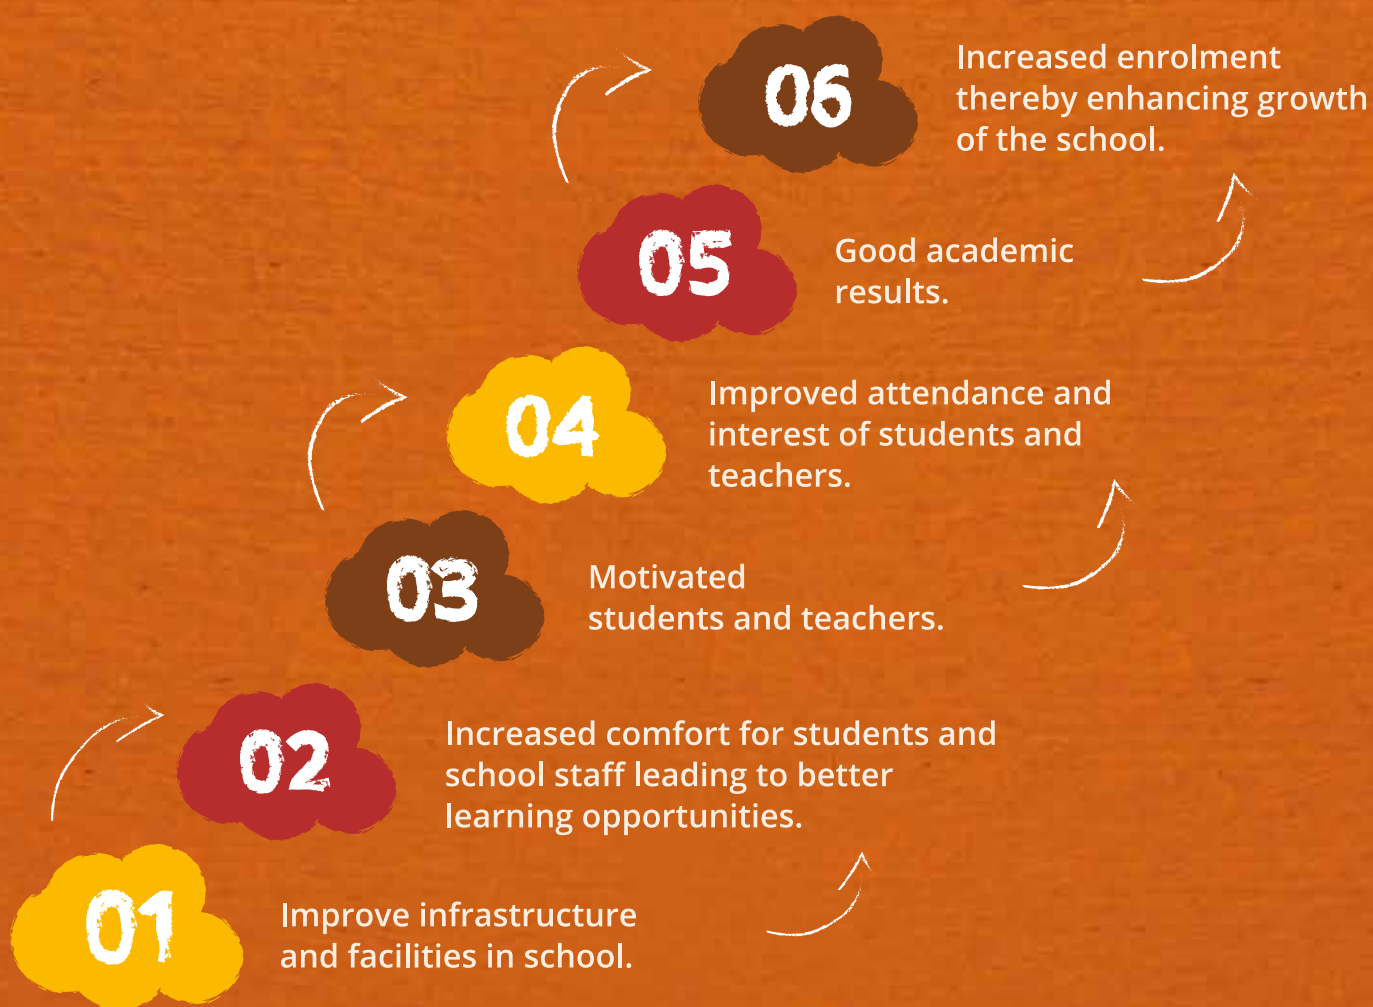

We are a specialist education finance company. We live and breathe education finance. We walk with institutions and students on their journeys, every step of the way.

There's a reason why we try to raise the bar because only then can the nation rise!

Grow with Auxilo

The 6 cornerstones of success

Leave no need unfulfilled

Financial solutions for educational institutes

- **Loan Against Fee Receivables** - Loan eligibility is calculated by analysing the past fee receipts and net of expenses.
- **Infrastructure Loans** - Loans for purchase of machinery, furniture, vehicles, equipment, computers, software, books, uniform and much more.
- **Land Loans** - Loan for purchase of additional land to be utilized for institutional purposes.
- **Construction Loans** - Loan for construction and renovation of institute building.
- **Loan Refinance** - Balance transfer of existing loans for better loan terms.
